This is an application made for personal use, free and without any kind of advertisement

Introduction

This Privacy Policy explains:

- What information we collect and why we collect it.
- How we use the information provided by the user.

What information I collect and why I collect it

NO INFORMATION AT ALL IS EVER COLLECTED by this application. It simply has never done that, and it will continue being so.

Moreover, collecting any information is pointless to the purpose of the application.

The user will find that neither sign in nor even network connection is required.

Only a few data is locally stored by this app, for the only purpose of remembering what was the last state of the app, so that it resumes when it is launched again. But that information is temporarily and locally stored, never transmitted.

How we use the information provided by the user

The user do not provides any kind of information at all.
